

## Letter from the New Editor!

Dear Friends & Supporters,

This has been an eventful year, not the very least because Emma Maziak, one of the original founders of KLF, has stepped down from the Committee of three! Pat and I cannot thank Emma enough for all her superb work since our foundation in 2004. Her contribution has been magnificent from the Newsletter, the website, the auction and raffle at the annual lunch – I could go on...thank you Emma for everything that you have done – we couldn't have got this far without you. We should also thank your family – husband James Maziak who has sponsored printed material, parents Richard and Susan Greenwood who have provided unforgettable auction prizes at Twickenham and lastly but certainly not least brother Will Greenwood who has been our guest of honour, opened our garden at RHS Hampton Court and donated funds from his Testimonial game. Thank you all so much.

Emma Maziak

### Onto the future

We have a new Committee member, Jackie Wileman, who visited our garden at the RHS Hampton Court Flower Show in 2016\*. She contacted me about KLF becoming a recipient of funds raised by the WI SW19 Branch. Of course, I said yes! Subsequent to that she has joined the KLF Committee (we are three again!) and has continued to raise funds at WI events during this year. On 10th November I will address the WI in Wimbledon Village to thank them and to spread the word so to speak! I did ask her if it was Jam and Jerusalem but apparently they don't do that any more!

Our lunch this year at Fortnum & Mason is always the highlight of our fundraising events. We were addressed by Dr. Catherine Wilson who is Head of School at the Royal Marsden. With a Fabulous auction and raffle helped along by delicious food and wine – we raised a total of **£14,360.00**.

For those of you who could not attend the lunch I am including with this newsletter a thank you note from The Royal Marsden which was given to all attendees.

Our new Committee member, Jackie Wileman has been selling our notelets, aprons and tea towels at various WI events some of which were also sold at the lunch.

Jackie has done a fantastic job – stay tuned for the grand total of funds raised by her and the donation from the WI SW19 Branch for which we thank them heartily!

Wonderful raffle prizes on display including the Anya Hindmarch handbag which Anya has donated every year and which is the highlight of the raffle.

Hot off the press

## Congratulations

to our friend and main contact at the hospital Mary Woods who has been made Nurse Consultant for Lymphoedema.

## Looking ahead

Going forward, Pat will be holding a coffee morning in Rome and I will be holding my annual Christmas KLF lunch which this year will have a Canadian theme. We have a staunch group of Canadian supporters, one of whom, Rob Edge (Ottawa) has been with us for many years who sells raffle tickets at the lunch and who also serves the meal at my house along with Gordon Black (Montreal). Brian Edge, Rob's son, will be running the London Marathon for us in 2018 and so I thought in this, Canada's 150th year, my lunch would be a maple leaf affair! We have set up a new Just Giving page for KLF which we will use to sponsor Brian Edge in the London Marathon 2018. If you donate via our Justgiving page please reference Brian/marathon in the comments so that we can keep track of funds raised specifically for this event.

Our contact at the Royal Marsden, Jessica Phillimore, Philanthropy Executive, is working on a new leaflet which we can use in a promotional way. Jess is also a whizz on IT and will be updating our website as we go forward.

That's it for now. Thank you to all of you who continue to support. Please come to the lunch next year and also support Brian at the London Marathon.

On behalf of myself, Pat and Jackie we would like to extend Festive Greetings to everyone and all the very best for 2018!
